Hi Sara,

Thanks for clarifying that for me. I was wondering if you could also specify what you're looking for in terms of "water." Are you looking for something in particular (e.g., drinking water, watershed management, water supply, etc.)? Please clarify for me.

Thanks,

Ryan

Hi Ryan,

To be more specific, for area, instead of the Avalon, just St.John's, Goulds and Mount Pearl.

Documentation public opinion polls and briefing notes. Excluding emails is okay.

Thank you,

Sara

Hi Sara Ann,

I recently received a transfer of your ATIPP request, which was worded as follows:

“Records from August 1, 2018 to the present concerning water, sewer and roads in the greater Avalon area. Including but not limited to briefing notes and public opinion polls. Please do not process any records that appear to be cabinet confidences.”

This is a very broad request that would not be feasible to complete in a reasonable time period, so I wanted to reach out to you to see if you would be willing to narrow the request. I have a few questions for you and your answers may help in reducing the number of responsive records to your request.

- Can you be more specific in what it is you are looking for? Is there a specific project that you are interested in, or a more specific area? The greater Avalon area is too large an area to fit into a single request such as this.
- What type of documentation are you looking for? The terms records is too general, so it would help if you could specify what documents are of interest to you.
- Would you be willing to exclude emails from this request?

Your response to this would be greatly appreciated. Thanks and looking forward to hearing back from you.

Regards,

Ryan Collins, B.A., M.Sc.
